How it works

For just £1 per week you will be allocated with a six digit Lottery number, which will remain yours for as long as you wish to keep playing. You can purchase more than one entry if you wish. Every Saturday, the lucky winners are selected at random and prize cheques are issued and posted directly to you, so there is no need for you to claim. You must be 16 or over to enter. Winners have to match 3,4,5 or all 6 digits of the winning number in the correct place in the sequence. A full set of rules are available at www.unitylottery.co.uk.

How to join - three easy steps

Step one Complete your personal details - so that we can contact you if you win!

Step two Select the number of lotteries entries you wish to purchase per week and how often you wish to pay.

Step three Complete the direct debit instruction or enclose your cheque.

Detach the form, seal the edges and return to the Freepost address. We will take care of the rest and notify you of your lottery number.
